

# Thera East Midlands is looking for you!

voluntary

**Exciting opportunity to be a Non-Executive (Voluntary) Director/Trustee - reasonable expenses paid. Annual time commitment of a minimum of 8 days per year.**

support

A long-established nonprofit company now working in Lincolnshire, Nottinghamshire, Derbyshire and Stoke on Trent supporting adults with a learning disability.

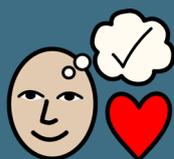

We're looking for local people in these areas with the skills and dedication to support our executive team to run the nonprofit company. You will help us to continue our charitable work and to develop our organisation for the future.

experienced

**Do you have experience in one or more of these areas?**

- Background in learning disability (lived experience, family/carer or professional),
- Charity governance, business and/or people management,
- A passion to be part of an innovative provider of high-quality care and support,
- Experience at a senior/Board level would be advantageous but not essential.

interested
