

Your wellbeing at work

- **We're all human:** mental health problems can affect anyone.
- **Don't bottle it up:** talk to someone you trust - or call the Blue Light Infoline: **0300 303 5999** or text **84999**.
- **Value yourself:** recognise when things go well and the times you've made a difference.
- **Connect with others:** just two minutes is enough for a chat or a text.
- **Find out who can help:** what wellbeing support is available near you?

Looking out for team-mates

- **What's changed?** perhaps someone's not been themselves recently?
- **Check it out:** ask them how it's going, and be open to listening.
- **You don't have to be an expert:** you can still start the conversation.
- **Team talks:** include wellbeing in catch-ups.
- **Be informed:** check out mental health resources available from Mind's Blue Light Programme.
